## Certificate of Appreciation

IS PRESENTED TO:

**Michelle Cohen**

For outstanding support of the Presidential address given in Cairo, Egypt on June 4, 2009.

Your translation of this speech was an essential part of a major public diplomacy and international outreach effort. Seldom, if ever, have so many translators worked together, so quickly, across so many formats, and in so many languages (14 in all), to produce an outcome of such far-reaching consequence. Your work brings great credit to the nation, the United States Department of State, and the Office of Language Services.
